

The Petunia Wedding Package

\$6,995

for 50 - 99 Guests

Our Wedding Packages offer a truly special and memorable experience, setting us apart from traditional venues. At our farm, guests aren't confined to a single space or two; instead, they journey through multiple unique venues, each offering its own charm and ambiance. From the rustic themed social hour to engaging animal encounters where you can snap pictures with mini Highland calves, Baroque donkeys, and other friendly farm animals, the day unfolds seamlessly.

The celebration continues with a picturesque ceremony under mature trees or photo session, followed by multiple reception areas guests can utilize—from a chic poolside gathering to a banquet area surrounded by nature, all against the backdrop of stunning panoramic views. This flow allows you and your guests to enjoy a variety of beautiful features and interactions in one cohesive event, making every moment unforgettable.

All items are included in the Package unless marked as Add On. Subject to change.
